TRUFAST DISCONTINUES #12DPH HEX HEAD FASTENERS

TRUFAST is a Trusted Partner for Commercial Roofing Fasteners, Adhesives & Accessories

BRYAN, OH – TRUFAST, a division of Altenloh, Brinck & Co. US, Inc., is announcing the discontinuation of its #12 DPH Drill Point roofing fasteners with Hex Head, part numbers ranging from DPH-1625 to DPH-8000. As a result, TRUFAST will also discontinue the pre-assembled fasteners and plates that used the hex head fastener, parts ranging from PAH-1625 to PAH-8000. TRUFAST will continue to supply #12 drill point roofing fasteners, with its #3 Phillips Truss Head fastener, available in 10 lengths (part numbers ranging from DP-1625 to DP-8000; and pre-assembled parts ranging from PA-1625 to PA-8000).

TRUFAST® #12 DPH Hex Head Fastener is Discontinued

Pre-Assembled Fasteners and Plates using the #12 DPH Hex Head Roofing Fastener is Discontinued

Pre-Assembled Fasteners and Plates using the #12 DP Phillips Head Roofing Fastener will continue to be offered in 10 lengths

###

Founded in 1981 in Bryan, Ohio, the TRUFAST began manufacturing and distributing unique and better performing fastening solutions for the commercial roofing industry. As its product offering grew to include other engineered fastening solutions and accessories, the TRUFAST brand developed a reputation for high-quality products and outstanding customer service. The company was acquired by Altenloh, Brinck & Co. US, Inc., in 2005 and remains a strong brand in the ABC US organization.
