TRUFAST DISCONTINUES FLUTED NAIL PRODUCT LINE FOR CONCRETE APPLICATIONS

TRUFAST is a Trusted Partner for Commercial Roofing Fasteners, Adhesives & Accessories

BRYAN, OH – TRUFAST, a division of Altenloh, Brinck & Co. US, Inc., is announcing the discontinuation of its Fluted Nail Concrete fasteners, part numbers ranging from TG-1500 to TG-12000. TRUFAST will continue to supply structural concrete roofing fasteners, with its ¼” Concrete Spike fastener, available in 23 lengths (part numbers ranging from TS250-1250 to TS250-16000).

TRUFAST® Fluted Nail Concrete Fastener is Discontinued

¼” Concrete Spike Roofing Fastener will continue to be offered in 23 lengths

###

Founded in 1981 in Bryan, Ohio, the TRUFAST began manufacturing and distributing unique and better performing fastening solutions for the commercial roofing industry. As its product offering grew to include other engineered fastening solutions and accessories, the TRUFAST brand developed a reputation for high-quality products and outstanding customer service. The company was acquired by Altenloh, Brinck & Co. US, Inc., in 2005 and remains a strong brand in the ABC US organization.
